FRESH MARKET by Vibe Foods

Healthy food, always within reach.

A fully managed fresh food market for the places people spend their days.

Your space. Our whole operation.

We provide the refrigerated machine, setup and insurance. We choose and stock products, monitor the market and handle maintenance. Your team provides an approved space and outlet.

Concept rendering; final machine configuration and assortment may differ.

From our restaurants to your location.

We believe healthy food should always be within reach. Our family-owned Vibe Foods restaurants in Parker and Lone Tree inspired Fresh Market: fresh choices in more everyday spaces.

PARKER

LONE TREE

Fresh choices for real days.

Fresh meals: salads, sandwiches, chicken salad and avocado toast.
Breakfast: protein oats, chia pudding, fruit cups and eggs.
Snacks: bars, beef sticks, chips and paleo baked goods.
Drinks: coffee, matcha, organic cold-pressed juice, bone broth, protein and hydration.

Built around your people.

Workplaces, offices and industrial facilities.
Schools, colleges and campus communities.
Gyms and fitness centers.
Medical buildings and residential communities.
Hotels, community and recreation centers.
We tailor the mix to each location.

Concept rendering; final machine configuration and assortment may differ.

A simple path to launch.

1 Tell us about your location.
2 We review placement, power and access.
3 We agree on assortment and terms.
4 We arrange setup and stock the market.
5 We restock, monitor and service it.

Fresh food. Fully managed.

Your people get fresh, convenient options.
We provide the machine and handle setup, restocking, insurance and maintenance.
Your team provides the space and an outlet.

Concept rendering; final machine configuration and assortment may differ.

One refrigerated market.

Planned equipment: a single Micromart Smart Fridge. Published dimensions: 79 in H × 30 in W × 38 in D. We will confirm power, clearance, delivery, setup and manager access for your location.

Concept rendering. Final machine configuration, branding and assortment may differ.

Let’s make healthy food easier to reach.
